

DECEMBER MONTHLY NEWSLETTER

It is that time of year when the Giving Tree is decorating the Town Office meeting room. The tree is in desperate need of donations, so would you please consider giving? Toys; books; clothes; gift certificates; even tree ornaments are most welcome. Last year, the tree had one major toy benefactor. The amount of toys donated rivaled any toy store's inventory! That individual, sadly, no longer lives in Town. Would you please consider helping to fill this void?

E911 House Addressing signs can be ordered from the Town's Code Enforcement Officer. Forms were sent out with your tax bill. Copies are also available at the Town Office counter. Place your order soon. Consider it a safety holiday present!

Dog licenses need to be renewed by the end of the year. Late fees will begin to be assessed on February 1st.

SNOW REMOVAL REMINDERS: Vehicles in the way of snow and ice removal operations will be towed. There does not need to be any advance individual warning given. The Town does not use snow removal parking ban announcements. Any time, day or night, whenever snow/ice removal operations are in progress, if a vehicle is considered to be hindering the removal operation, the vehicle can be towed at the owner's expense.

DECEMBER 10th - starting at 7:00 a.m. - the remainder of the harbor seasonal floats are coming out of the water.
