### Request for Bids

The Town of Stockton Springs is offering for sale a 1985 GMC Topkick Fire Cat, made for fighting fire in California. It has a GMC 7000 series diesel engine with 50,000 miles and an automatic transmission.

It has a 1000 GPM Waterous front end pump that passed a pump test in 2016 and needs minor work now. It also has a midship pump (est. 500 GPM) that is currently out of service, powered by a separate motor. This truck has a foam induction system.

If purchased for non-Firefighting use, the siren and some emergency lighting will be removed.

There is a minimum offer of \$2,000.00 for this truck. Offers must be submitted to the Stockton Springs Town Office by 2:00 PM, Tuesday, December 5, 2017, at which time they will be publicly opened and read aloud. Submit offers in a sealed envelope, plainly marked "Truck Offer," and addressed to the Town Manager, Town of Stockton Springs, P.O. Box 339, Stockton Springs, ME 04981.

Contact Fire Chief Vern Thompson at 207-944-2060 with any questions concerning this vehicle.

The Town reserves the right to accept or reject any or all offers, and to negotiate with the offeror who submits the most advantageous offer, as deemed by the Town.
