

JUNE 2015.....ELECTIONS AND TOWN MEETING

Can you believe that it is June already? I can not get over the fact that pretty soon the days will start getting shorter, AGAIN! Where does the time go?

The Town Office has been busy with wrapping up the annual Town report, getting ready for elections, finishing next year's Town budget draft, holding public hearings for proposed ordinance changes, quality controlling the revaluation work, issuing clam licenses and just going about the daily business.

I hope that you have checked out the Town's website. We have attempted to keep it current as the budget process has unfolded. If you look, you will find the following documents:

- Sample Election ballot for the June 9th elections
- Sample ballot question for the June 9th RSU#20 Withdrawal Question
- Explanation for the RSU#20 Withdrawal Question
- June 13th Annual Town Meeting Warrant
- Explanation of the changes contained on the Warrant
- Proposed FY 16 Budget Worksheets that detail expenditures and revenues. They have also been cross referenced to their corresponding warrant articles
- Reserve balances and their proposed use
- Proposed Ordinances and Ordinance Changes that are included on the warrant
