

OCTOBER-NOVEMBER MONTHLY NEWSLETTER Are you ready for soccer playoffs?

So I am way too late for a real October newsletter. I'll simply combine with November!
RSU#20 is in the Maine Principal's Association soccer playoffs. Plan on attending a game and supporting the teams.

Elections are coming. Elections are coming. Do not forget to vote on Tuesday November 3rd. The local ballot is for the closure of the RSU#20 Withdrawal Committee. A YES VOTE means that the Town will stay with RSU#20. A NO vote means that the Town will negotiate leaving RSU#20.
Polls open at 8:00 a.m. and close at 8:00 p.m. Absentee ballots are available, but should be taken out by Thursday October 29th 5:00 P.M.. They can be returned up to Election Day.

Do you have a fire hydrant near your house? Are you aware that they are NOT available for fire protection use? Please remember to note that on your home owner's insurance policy.

E911 House Addressing signs can be ordered from the Town's Code Enforcement Officer. Forms were sent out with your tax bill. Copies are also available at the Town Office counter. Place your order soon!
