

TOWN OF STOCKTON SPRINGS

ROAD-POSTING ORDINANCE

This ordinance is to give the Road Commissioner or his/her representative the authority to post any road in order to prevent damage to said road.

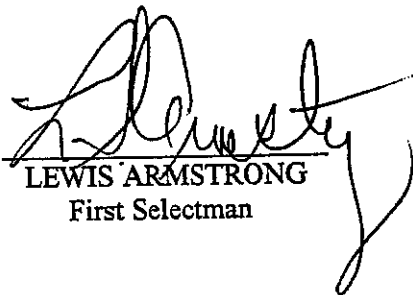

A seven-day notice will be posted if time is allowed.

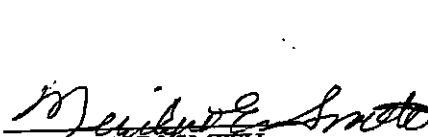

However, the seven-day notice does not prevent the road from being posted if time is not available to stop damage.

There is a fine of one hundred dollars for operating on a posted road, and the company will be liable for any damages done to the road.

Vehicle registration will be used for weight, so the need for weight scales is not needed.
