

Hello-

As I am more than half way through the month of January, I may as well combine the two months and say that I am also early for February! Time flies when you are caught up in budget preparation.

The Town aka the Select Board, is looking for interested parties to volunteer to serve on 2 town committees/boards. The Planning Board has two alternate position vacancies and the Budget Committee needs at least 2 more members. If you interested, please contact a Select Board Member and let them know.

2015 Dog licenses were due at the end of December. A \$25.00 late fee will be added to the license cost if not paid by January 29th. After the end of February, the Animal Control Officer may come for a visit. Please license your dog today. The Town does receive copies of rabies shot information directly from the State. This information helps track ALL dogs located in Stockton Springs.

Revaluation house visits are on going on Tax Maps R1 & R2. Should you find a flyer at your home, please call the number on it to schedule a second visit. The better the collected data is, the better the revaluation will become.

On Saturday February 28th from 9 a.m. to noon there will be a RSU20 information "coffee", in the downstairs meeting room. Interesting facts about the Regional Unit will be discussed. Please plan on attending.

A reminder that the Town has "Keep the Heat On" funds for any resident needing some one time assistance with their heating bills. There is an application to complete, and you do not need an appointment to do so. Also if you would like to donate to the fund, the Town would gratefully say THANK YOU. It is tax deductible.

Time to go. I have donated my time and Public Works expertise to sort out the "deflated football crisis" in Foxboro. We may all be back by February 2nd. Go Celtics!

Marnie
