10 1. Select Board Member Concerns and Comments

11 Mr. Curley discussed a conversation he had regarding school funding and why Stockton
12 pays as much as it does more per student than does Searsport. Mr. Curley said that RSU
13 20 officials say they do not understand the state funding formula. Ms. O'Donnell said
14 she would talk to the State and try to arrange some sort of meeting with Town and State
15 officials to find out how the formula works.

16 Mr. Curley asked about a cleanup at Stockton Harbor. It was decided to take the Town
17 truck to the harbor for cleanup. Ms. Bradly said she would organize it with the Boy
18 Scouts for labor.

19 Ms. Bradley talked about the Stockton Elementary School building.

20 2. Town Manager Concerns and Comments

21 Ms. O'Donnell said the Town Office would be closed on July 1 to complete year-end
22 tasks.

23 Ms. O'Donnell said the Select Board would have to decide when to hold the meeting that
24 would normally be held on Thursday, July 4. Ms. O'Donnell said she would check and
25 see if the Select Board would need to meet at the first of the month.

26 Ms. O'Donnell said that the Shellfish Warden found two people clamming on closed
27 flats. She said they had been given a summons.

30 Ms. O'Donnell said a citizen had asked about the Town taking over the cemetery on
31 Church Street. Ms. O'Donnell said she would check with the Town Attorney and then a
32 meeting would be held among them and the Town regarding the subject.

33 Ms. O'Donnell said the Jeep owned by the town is in bad shape. She said she and
34 George Russell had looked at the state surplus property and they had found a replacement
35 vehicle. She said there was sufficient money in the Highway Department budget to cover
36 the purchase.

37 Ms. O'Donnell said she had filed the United Way report regarding the Keep The Heat On
38 fund and had applied for next year.
