8 Present: Betsy Bradley, Peter Curley, Melissa Moody.

9 Also Present: Jennifer King – Town Manager.

10 1. Select Board Member Concerns and Comments

11 Mr. Curley asked if anyone was interested in serving on the county budget committee as
12 the Town representative. Ms. Moody agreed to serve in that role.

13 Mr. Curley asked about the fire pond. Ms. King said she is in the process of reaching out
14 to contractors regarding cleaning out the fire pond. She said the Town only has \$3,000
15 budgeted for the project, which she said is not much compared to the job. Ms. Bradley
16 asked about creating a special account to set aside money yearly for the purpose of
17 cleaning out the fire pond. Ms. King said that there had been discussion regarding a
18 rollover account for the fire pond maintenance, and that the issue needs to be cleared
19 through the Auditor. Ms. King said that while the situation is not emergent now, it could
20 be soon, and that it was a safety issue.

21 There was discussion of filling vacancies on Town committees. Ms. Bradley suggested
22 that if committee meetings were held more by Zoom, that might encourage committee
23 membership. It was agreed that Ms. King would run a newspaper advertisement
24 regarding committee openings.

25 There was discussion of the property behind the fire house.

26 There was discussion of an anonymous complaint made to the State regarding a party
27 planned at Stockton Harbor on both public and private property. Ms. King read a letter
28 from the state regarding state restrictions on gatherings. She said she would request that
29 police patrol the area at the time of the party.

34 2. Town Manager Concerns and Comments

35 Ms. King said she was waiting to hear from the auditor regarding how the money from
36 the sale of the Stockton Springs Elementary School could be used.

37 There was discussion of an email from a citizen regarding junk cars, and whether any
38 ordinance the Town might have regarding junk cars, and the enforcement of the Town
39 ordinances.
