12. Certification:

This application and all information submitted herewith are true and correct to the best of our knowledge. If approval is granted, all work executed shall be performed in strict conformance with approved application, conditions imposed by the Town of Stockton Springs, Planning Board and Subdivision Ordinance of the Town of Stockton Springs, Maine, revised June 2019. Permission is hereby granted to the Town of Stockton Springs Code Enforcement Officer, or his designee, to enter and have access to the subject property at all reasonable and proper times during and immediately upon completion of construction to ensure compliance with the approved application and the Town of Stockton Springs Subdivision Ordinance. Failure to grant such access shall result in the immediate issuance of a stop work order.

It is understood that no application shall be deemed pending until and unless it has been certified as complete by the Town of Stockton Springs Planning Board, that the Planning Board shall not conduct a substantive review, a review of the application to determine whether it complies with the standards set forth in the Stockton Springs Subdivision Ordinance, until the application has been deemed complete. It is further understood that neither the submission or review of, nor public comments about a pre-application sketch plan, nor the conduct of a site inspection shall be construed to be a substantive review of the proposed project.
